Civil Ceremonies and Wedding Blessings

We understand how important your wedding is and we are with you throughout to make your day very special and personal to you. We can host from 10-200 guests for a ceremony in a choice of private rooms.

All ceremonies are catered to your requirements and your own ideas, and include traditional red-carpet aisle, registrars table and chair covers. Whichever room you choose, we will ensure there is a magical feeling using our mood lighting, candelabras and lanterns.

The Menlo Park Hotel is an approved venue by the HSE and we host many civil ceremonies. Should you wish to have your ceremony outside of the times available from the HSE, there are two other options. Firstly, we can provide you with a full list of registered solemnisers outside of the HSE who can legally witness the marriage. Alternatively, we can help you arrange for a Wedding Celebrant to conduct the ceremony and you can arrange to sign the register at the HSE (in the company of two witnesses) on a date after your ceremony in the hotel.

These ceremonies are available seven days a week.

Please arrange to speak with our wedding planner in regards to the most suitable private room for your ceremony.

HOTEL

Alternative Wedding Packages

A lot of our couples have broken with tradition in recent years and opted for a more informal wedding reception. There are many options for celebrating your wedding; you may choose to get married abroad and have a party when you return, or you may have an intimate family meal after your ceremony and have a larger celebration in the evening. Alternatively, you may prefer to spend more time socialising with your guests and opt not to have a formal sit-down meal. We offer many choices and we are happy to cater your day as you wish.

We can tailor any package to suit your ideas.
